

Dear WEA Unit D Members,

August 29, 2016

Hello! My name is Pam Tesko. I am the Membership Chairperson for WEA.

Union dues will be \$307.50. You should see \$20.50 deduction for 15 pay periods. Deductions should begin on September 2, 2016 and end on March 17, 2017. Please check your pay stubs to ensure that this amount is one of the deductions. The total dues for the 2016-2017 school year is \$307.50. This represents a \$4 increase from NEA and MTA and no dues increase from the WEA.

At the beginning of September, I will ask each of you to verify your home address, email address and phone number. If your *address, name or phone number* has changed, it is imperative that the MTA records be updated to reflect the change. Please feel free to contact me with any membership questions through my cell, (860)847-1030 or at North Middle 413-572-6441.

I am excited to be serving as your Membership Chairperson, and I hope that you have a great school year.

Sincerely,

Pam Tesko
