TREASURER

The budget for February 2017 was presented and Kathy Wippert moved to receive the report. Janet Baush seconded. A vote was taken and the report was received.

PROFESSIONAL RIGHTS AND RESPONSIBILITIES

Kristen reported that there is currently one grievance that will hopefully be resolved by 3:00 today.

NEW BUSINESS

1. Reminder: Letters of transfer are due by 4/15.
2. Negotiations: Unit B has ratified, awaiting approval from School Committee. (this did not occur last month, as was in the February 2017 minutes, due to a snow day.) Unit D is still in process.
3. School Committee meeting scheduled for tonight will be to give recommendations for next year. There is nothing carved in stone.
4. Principals have been contacting Lori...a reminder to ALL...the contract outlines our rights AND responsibilities as employees. If you want to be treated professionally, you must act professionally. In times where budgets are tight, showing up on time, going to PLCs and faculty meetings, being at your duties, effectively and professionally communicating with your principal, and being prepared, are not things to be taken lightly.

OPEN FLOOR

- Bill Storozuk distributed Unit A contracts that were printed by the Academy. Thank you!
- Building Climate Surveys-building reps should discuss this process with their principal if there are concerns within their building.

A motion to adjourn was made by Kristen Biancuzzo and seconded by Kathy Wippert.

The meeting was adjourned at 4:28 pm.

Respectfully submitted,

Aimee Blair
